## Friends

by Julia Austin

*Friends, yeah I got friends, the ones  
who are there for ya' thick-n-thin.  
I won't forget those friends. All my  
memories will never end.  
There are times we laughed  
and times we cried.  
All those times we had together  
will be in our hearts forever.  
I got ur back all the time,  
just like u got mine.  
Friends till the end!*

Take her on her path to her Father!  
Oh Crow, Oh Crow!  
This friend of yours who wrote of you many a time is now passing the pen on to ...  
Oh Crow, Oh Crow!

How I will miss my Mother! As all of the family does!
