

TRIBAL PROGRAM NEWS

Siletz Tribal Head Start 2004-2005 Community Assessment

As part of our performance standards, the Siletz Tribal Head Start Program is conducting a survey to identify the support resources in our communities. The Siletz Tribal Head Start Program serves preschool-age children in four communities: Siletz in Lincoln County, Salem in Marion County, Springfield in Lane County, and Portland in Multnomah County.

While we give a preference to serve Native American children and offer a Native American Head Start experience, children do not have to be Native American to attend our program. Our program offers a part-day/part-year service where children attend our classroom for 3^o hours a day, four days a week, for 32 weeks.

The assistance of your agency in completing this assessment and returning it to **Siletz Tribal Head Start, P.O. Box 549, Siletz, OR, 97380-0549** will help us in collaborating with your agency to make sure our Head Start parents are connected with the services that may be needed. Thank you for your support and input. **Fax: 541-444-2307**

Name of Agency: _____

Location of Agency: _____

Telephone Number: _____

Ages of Children Served: _____

Does your agency serve Native Americans? Yes____ No____
