

TRIBAL PROGRAM NEWS

Which Siletz Tribes/Bands Do You Represent?

For increased understanding of Siletz Tribal history, genealogy, and cultural influences, the Enrollment Department is seeking additional information on which Siletz ancestral tribes and bands our membership represents as individuals and families.

This will enable tribal programs and tribal government to more accurately state important statistical facts about our confederation. It's also important for our membership to maintain connections to and reflect pride in all their Siletz Tribal ancestry.

Please mark **all** Siletz Tribal bands that you descend from on the form below and also your family tree information (at least the furthest generation from the present) you can, then return the completed form to the Enrollment Department, CTSI, P.O. Box 549, Siletz, OR 97380-0549.

If you need assistance or have questions, please contact Loraine Butler, Enrollment Department, at 1-800-922-1399, ext. 1258, or 541-444-8258; or Robert Kentta, Cultural Programs, at 1-800-922-1399, ext. 1244, or 541-444-8244, after consulting older relatives.
