Recycle Your Tree for the Tribal Fish Hatchery

Dec. 27 – Jan. 7

Please drop off your Christmas tree near the tribal maintenance building on Government Hill next to the Aldridge House in the area clearly marked for trees (follow signs off Gwee Shut Road).

Sorry, we cannot accept trees that have been flocked or that have tinsel.

Trees will be used to provide fish habitat in rearing ponds at the tribe's Lhuuke Illahee Fish Hatchery on Rock Creek.

For additional information, contact Ryan French, Natural Resources, at 541-444-8292 or 1-800-922-1399, ext. 1292.
