The Pointer Sisters

Get Excited with The Pointer Sisters

The Pointer Sisters are heading to Chinook Winds Casino Resort on Nov. 18-19 to perform their hit songs like *Jump (For My Love)*, *I'm So Excited*, and *Neutron Dance*.

In 1974, The Pointer Sisters' first album was certified gold and they have been consistently producing top-10 singles. In 1975, they won their first Grammy for Best Country Performance by a Duo or Group for *Fairytale*.

In 1991, The Pointer Sisters traveled with Bob Hope to the Persian Gulf and performed for U.S. troops. After being honored at the Soul of American Music Awards and being inducted into the Soul Train Hall of Fame, the sassy divas re-

ceived a star on the Hollywood Walk of Fame in 1994.

In 2001, they performed on July 4 with the National Symphony Orchestra in Washington, D.C., for the nationally televised PBS special, *A Capital Fourth*.

Ruth, Anita, and Issa still maintain a busy touring schedule today and perform their music all over the world.

Although June left the act to perform on her own, the energy and style is as electric as ever with the addition of Ruth's daughter, Issa, to the act. Issa began singing with the group in 1985 as a 7 year old and she's all grown up now with the vocal chords to prove it.

Show time is 8 p.m. each night. Ticket ranges from \$20 to \$40.
