Butler vs. Butler

From your family

Safety/running back Logan Butler and tackle/nose tackle Ronald Butler Jr. played this year's Junior League Division 1 football for Siletz. They went up against their cousins, quarterback Leland Butler Jr. and line center Buddha Butler of the Lincoln City team.

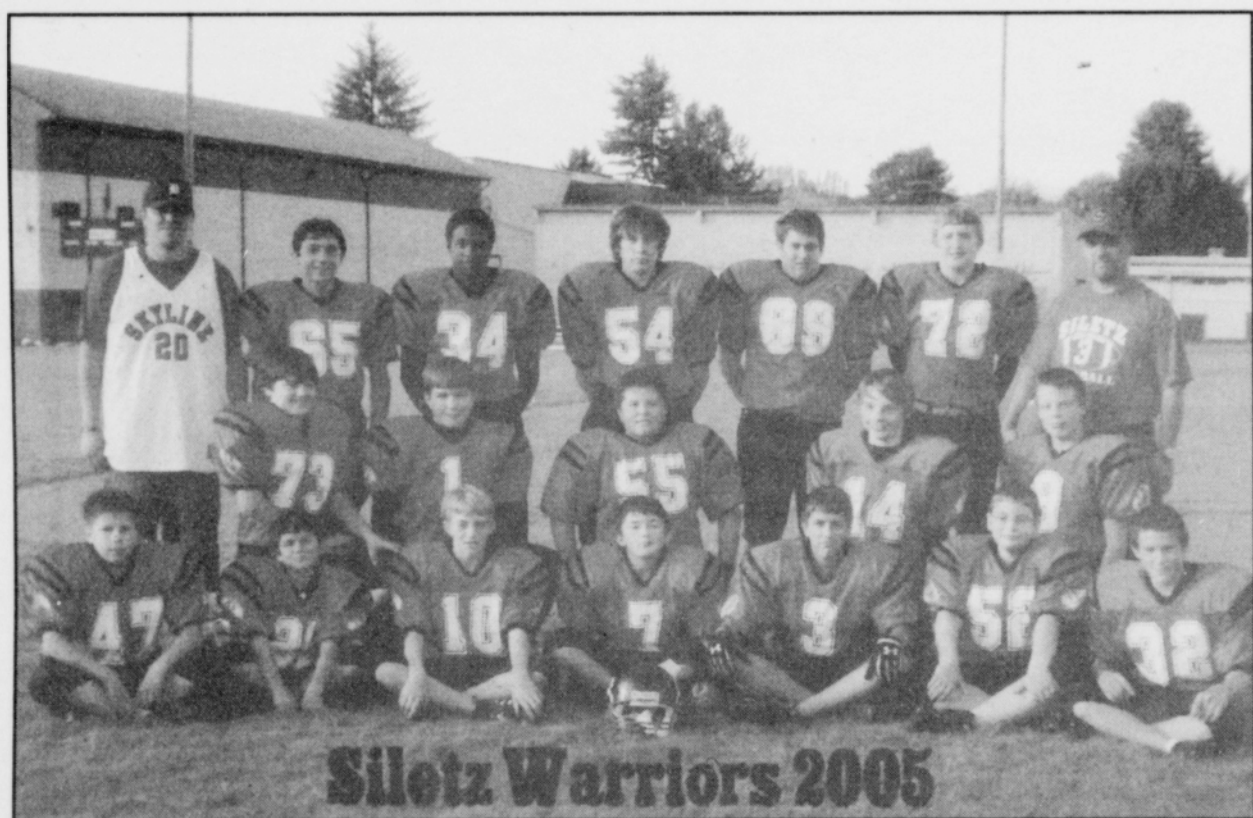

This was the first year of football for

Logan, Ronald, and Buddha. They gave their all on the field and all four boys did an exceptional job in their positions.

We enjoyed watching you boys learn, play, and have fun on the field.

Buddha received this year's MVP award for his team.

You boys made us all proud.

Division 2 Team Goes Undefeated

From your family and friends

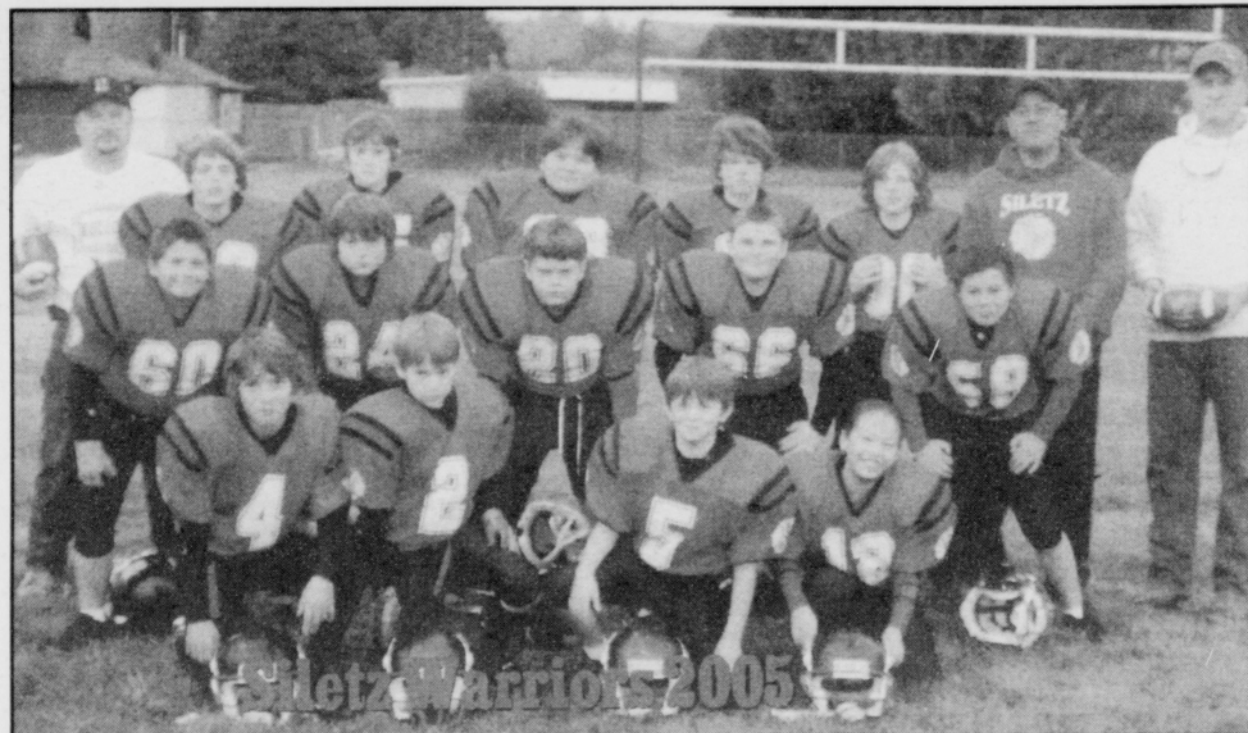

This year's Junior League Division 2 football team, Siletz Warriors, had an undefeated season, finishing in first place in the championship game against the Toledo Trojans.

Siletz Warriors had the fewest number of players and were the smallest players of all the teams in its division. They prac-

tice hard and give all they have on the field.

They have been playing football together for four years and sadly, we will lose T-Man Metcalf, Zak Bremner, and Dakota Burgins to high school football next year. T-Man and Zak received this year's MVP trophies at the championship game.

You boys make us all proud.

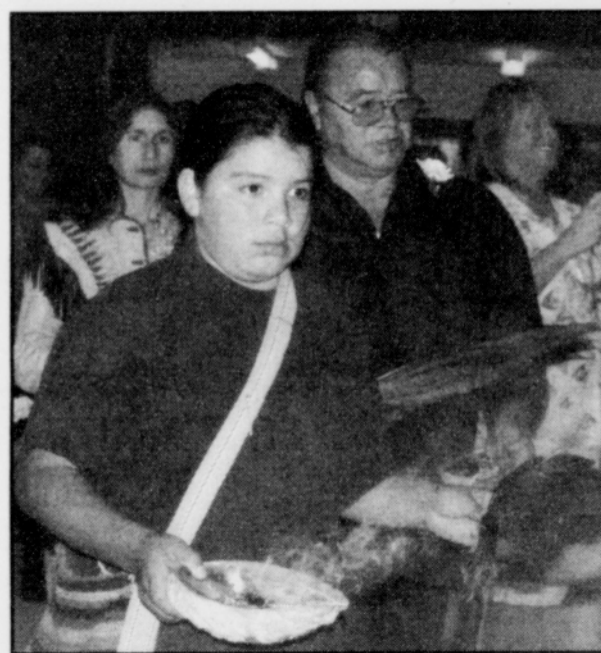

Left to right, top row: Coach Mike Bearden, Roe, Zackary, Ronald, Jordan, Patrick, Coach Reggie, and Coach Terry. Middle row: Cody, Lane, David, Patrick, and Joah. Bottom row: Breenan, Nathan, Clayton, and Logan
