

SVS Names Honor Roll Students for Second Quarter

We would like to congratulate all of our students at Siletz Valley School as they try very hard to reach good grades. We had a great second quarter that ended Jan. 27, 2006.

As an incentive for those who reached a 3.5 GPA or higher, we had drawings for three backpacks full of school supplies that were donated by Emma's Project. Those students whose names were not selected received crayons, markers, or calculators.

The following students at Siletz Valley School were named to the first quarter 2005-2006 Honor Roll. Congratulations and keep up the great work! For all of you who did not make this list, we are very proud of you too!

Just wanted to tell the kids what a great job they all did this year and didn't we all have fun?
