

Notice of Applied and Awarded for Housing and Urban Development

Indian Community Development Block Grant Funds (ICDBG) for the Construction of a Tribal Fitness Center Facility

This notice is to serve as the required Community Development Statement Request for tribal member input

The Confederated Tribes of Siletz Tribal Council has authorized the preparation of an application for funding under Housing and Urban Development's Indian Community Development Block Grant program (ICDBG). The following is a list of eligible activities, threshold requirements, and rating factors.

Eligible Activities

- Improve housing stock
- Provide community facilities
- Improve infrastructure
- Economic development

Possibilities

- Remodel of closed buildings for public program use (not government)
- Housing Department community office
- Clinic expansion
- Water and sewer infrastructure for housing subdivision
- Real property acquisition
- Construction of a special needs or health and wellness-specific facility

Deadline for submission: Aug. 25, 2005
 Estimated award date: Jan. 1, 2006
 Ceiling amount: \$500,000

Program-related threshold requirements: Assurance that the tribe has no outstanding ICDBG obligations.

Project-specific threshold requirements:

- Under public facilities and improvements, there are no project specific thresholds.
- Under public service projects, there is a 15 percent cap on the amount of grant funds to be used for this component.

Rating Factors

Rating Factor No. 1: Capacity of applicant requires a minimum of 15 points

- Management of project
- Technical staff experience
- Project implementation
- Financial management
- Past performance
- Procurement and contract management experience

Rating Factor No. 2: Need or extent of problem

Rating Factor No. 3: Soundness of approach

- Project design
- Budget and costs
- Sustainability

Rating Factor No. 4: Leveraging of resources

Rating Factor No. 5: Comprehensiveness and coordination

The results of this request for community input will be evaluated in conjunction with the results of the community meetings held in 2004 and the cumulative results of the tribal-wide survey and produced 2004 10-year comprehensive plan for the tribe.

The entire Community Development Statement is available for public viewing at the Siletz Tribal administration offices in the Planning Department. It will be available for review after June 20 from 9 a.m. to 4:30 p.m., Monday through Friday.

Note: Subsequent to approval by Tribal Council at the August 2005 Tribal Council meeting, this document will be placed in the tribal newspaper and the Newport News-Times as per grant requirements.

Out-of-Area Health Benefits

by Judy Muschamp, Health Director
 The next call-in date for out-of-area health benefits is July 3, 2006, beginning at 8 a.m.

The number to call is 1-800-628-5720 or you can try the local number, 541-444-1236. Staff will not begin answering the telephone until 8 a.m. and voicemail messages will not reserve funding.

This is the first quarter for the 2006 excess pledge revenue funds; \$200,000 will be available to disburse. Each caller is eligible for one of following:

\$400 Vision \$1,400 Hearing
 \$1,200 Dental \$1,000 Medical

Once you receive authorization, you must use the benefit within 90 days. If benefits are not used, the money then becomes available for the next call-in date – Oct. 2, 2006. If you have a problem, please call Danise Barker in the Contract Health Service office before the end of September 2006.

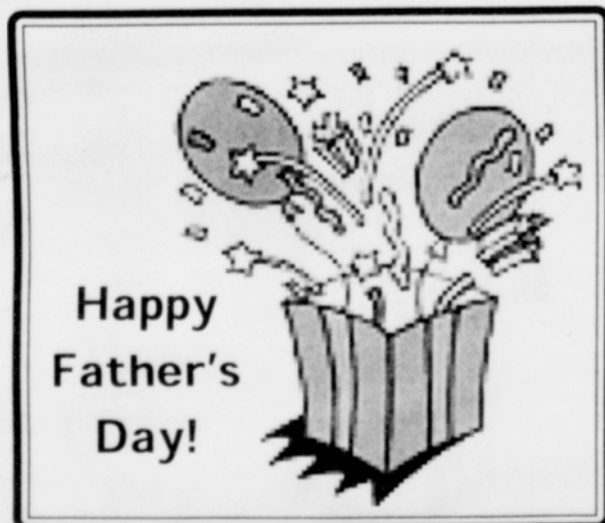

Other considerations: An individual can access benefits only one time per year. When you call for pre-authorization, please remember that CHS will authorize for household members only. Authorization will not be granted for anyone not residing in your household.

Caps

- 15 percent cap on amount of grant funds that can be used for public services
- 20 percent cap on planning and administration
- 10 percent cap on technical assistance for development of capacity to undertake project

Thresholds

Thresholds: Minimum 70 percent of grant to be used for activities that benefit low- and moderate-income persons and be in an activity which, if it benefits all residents, at least 51 percent must be low- and moderate-income.
