## PAO Honors Local High School Graduates

For the first time, the Portland Area Office sponsored an honor dinner for Portland-area Siletz Tribal high school graduates

Those who attended included Mallory McLenithan, Cody Fuller, Travis Billmyer, Stephen Arden, Tasha Rilatos, and Mathew Morsman.

The students were honored with a handmade pine nut necklace, pine nuts donated by Reggie Butler, and a Siletz shoulder bag.

Many people from the Siletz office helped make this happen. Thanks go out to Verdene Anderegg, Clay Arden, Anna Rennville, and Lori Johnson for all their contributions and help.

We would like to congratulate all our graduating high school students, including Kayla LaChance and Andrew Smith, who were unable to attend. You did it! We hope all your dreams and hopes for the future will become a reality for you.
