Wynonna Returns to the Beach

The queen of country music will perform live on Aug. 4-5 at Chinook Winds.

Wynonna is an award-winning, multi-platinum recording artist who has given her heart and soul to find success. She's had 20 No. 1 singles, has been honored by the Country Music Association, the Academy of Country Music, and the Grammy Awards as well as becoming the first female country artist to score three multiple-week No. 1 songs from the same album.

Together with her mother, Naomi, Wynonna first gained fame in 1984 as part of one of the most successful duos of all time, The Judds, and has been critically lauded as one of the finest vocalists of our time. The duo became one of the most celebrated success stories in country music history.

In just six short years, they sold more than 20 million records worldwide and won more than 60 industry awards, including five Grammys, nine CMA awards, and eight Billboard Music Awards. In 1991, Naomi Judd retired from the singing duo because she had contracted chronic hepatitis during her earlier nursing career.

Following Naomi's retirement, Wynonna began the second amazing success story of her life and signed her first solo record deal in 1992. With vast critical acclaim, *Wynonna* sold more than 5 million units and became the highest-selling debut album by a female artist at the time.

A musical force like none before her, Wynonna followed her wildly successful debut with the multi-platinum disc, *Tell Me Why*, as well as with the platinum-certified *Revelation*.

Her greatest hits compilation, *Collection*, was released in 1997, the year that also found her gold record, *The Other Side*, flying from the shelves.

Wynonna burst into 2000 with a torrent of unleashed creativity that is expressed on *New Day Dawning*, her fifth solo outing that she also produced. She released her sixth solo studio album, *What The World Needs Now Is Love*, on Curb Records in 2003.

Wynonna currently is the U.S. Ambassador for YouthAIDS and in 2005 received the USO Merit Award for outstanding contributions to the U.S. Armed Forces. In 2004, she received the Connie B. Gay Award, one of the most prestigious awards presented by the CMA.

Wynonna was nominated for the 2003 ACM's Humanitarian of the Year Award and in the last two years alone has single-handedly raised more than \$2 million for charity.

She is active with the American Red Cross, having organized three blood drives in the last three years; MusiCares, at whose Person of the Year galas she performed in 2004 in honor of Sting and in 2003 in honor of Bono and has served on the board of governors; The Oasis Center in Nashville where she serves as mentor and friend to children in need and headlines the annual tastemaker event, Divas Nashville; and St. Jude Children's Hospital, where she served as keynote speaker for the Country Cares Seminar in 2003.

Show time is 8 p.m. Ticket prices range from \$35 to \$75.
