Help Needed on Cemetery Project

The Cultural & Heritage Committee is working on a cemetery project. It wants to purchase grave markers for the numerous unmarked and unknown graves at the Paul Washington Cemetery. The committee is asking for tribal member input to identify as many graves as possible.

The committee also is asking for tribal member artists to submit artwork

suggestions for the markers. The artwork would have to be very small as the markers would be rather small in dimension. The artwork should be about 5" wide and 10" long.

For more information or to assist in identifying the graves, please contact the Cultural Office at 1-800-922-1399, ext. 1246, or 541-444-8246.
