The Smothers Brothers to Perform at Chinook Winds

The Smothers Brothers will perform their slapstick style of comedy on Jan. 12-13 at Chinook Winds.

As one of comedy's most famous duos, Tom and Dick have been entertaining crowds for more than 48 years. The Smothers Brothers are being saluted as time-honored legends whose lengthy career has surpassed all other comedy teams in history.

The Smothers Brothers' first professional appearance was at The Purple Onion in San Francisco in 1958 and their first national television appearance was on the Jack Paar show on Jan. 28, 1961.

More than four decades of audiences have seen the Smothers Brothers in their own primetime comedy series in the 1960s, '70s, and '80s; guest appearances on numerous television programs; countless engagements as headliners in Las Vegas, Reno, and Lake Tahoe; a hot-selling video; 12 top-selling albums; as well as continuous coast-to coast concert tours, some with symphony orchestras.

The contributions Tom and Dick have made to the entertainment world throughout their careers are so highly respected that the Museum of Television and Radio in New York produced a retrospective and seminar on their work, an honor not lightly accorded.

On the other coast, Hollywood ceremoniously distinguished them with

The Smothers Brothers

one of its most valuable awards – a star on the noted Hollywood Walk of Fame.

The Smothers Brothers Comedy Hour is now studied in universities across the country as an important fac-

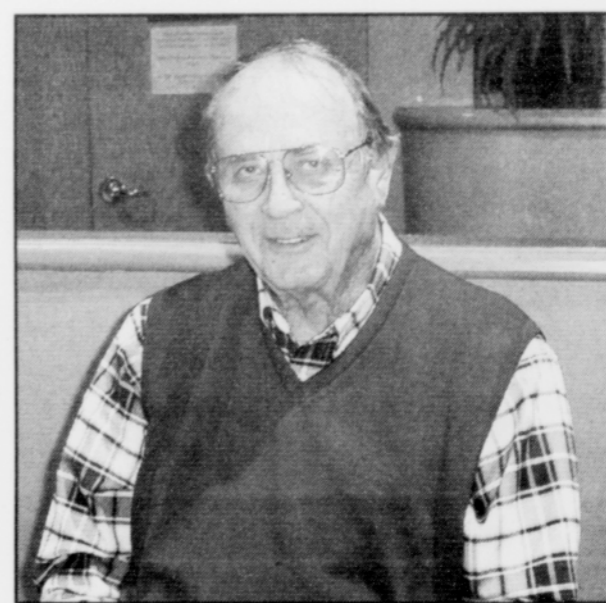

tor in the revolutionary changes undergone in the United States during the '60s.

Show times are 8 p.m. Ticket prices range from \$15 to \$40.

Bingo Winners!

During the Surf City promotion in September, in both the matinee and evening sessions, we had \$1,000 winners. Elizabeth Aslin (above) won \$1,000 in the afternoon and Enid Osburn (below) won \$1,000 in the evening.

On Oct. 24 during the matinee session, Robert Havemann was the Lucky Ball Jackpot winner for \$1,199.

On Oct. 19, John Sullivan was a lucky winner on the Super Bonanza for \$1,000.
