

CHINOOK WINDS CASINO RESORT

Comedy on the Coast Features Adams, Burton, and Gee

Comedy on the Coast hits Chinook Winds in style April 27-28 with the comedic talents of Orny Adams, Mike Burton, and David Gee.

Orny Adams has appeared on *The Tonight Show with Jay Leno* and *The Late Show with David Letterman*, and co-starred in the movie *Comedian* with Jerry Seinfeld.

Adams' comedy style is unique, yet universally appealing. He is quick on his feet to deliver a clever, sophisticated, and fast-paced routine that attacks topics from an angle many people have never considered.

"I question everything. That's the root of my comedy ... and I try to come up with some solutions, but there seem to be more questions than answers," Adams said. One minute he's goofy, the next he's intelligent, and you never completely know when he's being serious.

Mike Burton will openly admit that sometimes the weakest part of his act is his act. He loves to play off the crowd and you never know what's going to come out of his mouth, for the simple reason that he doesn't know either.

Always finding a way to incorporate the audience into his show makes them feel as if they're now having their own personal performance. He's a regular performer at The Improv locations around the country. You'll want to make sure to see Burton – and be prepared for the unexpected.

David Gee will emcee the evening and keep the crowd laughing. He has performed at such venues as The Improv and The Laugh Factory, and has opened for such acts as Kenny Loggins and Bonnie Raitt.

His television appearances include feature spots on HBO, Showtime, and Comedy Central.

Comedy on the Coast begins at 8 p.m. for this age 21 and over event. Doors will open at 7:30 p.m. with a no-host bar. Tickets are \$12.
