Slots Player Wins \$798,932.59 Jackpot

A resident of Dayton, Ore., won \$798,932.59 on the Powerball Millionaire Progressive machine at Chinook Winds on April 26 at 2:11 p.m.

"I couldn't find my regular \$1 machine. I figured they must have moved it, so I decided to try the two-cent slot. Now I'm glad I did," said the excited yet still stunned winner. "I drive down to the beach every other week to play. I like Chinook Winds because of the beach and it pays better than 'the other' casino," said the Dayton resident.

The two-cent Powerball Millionaire Progressive machine is distributed by Williams Gaming.

This was the guest's first big jackpot. Before her \$798,932.59 payout,

her biggest win had been \$1,200.

"I almost gave up on the machine. I put in \$100 total. I was on my last \$20 when it hit," she said.

This is the first Powerball Progressive hit at Chinook Winds. The machine has been on the floor since April 28, 2006.

"We are excited to see a customer like her win such a big jackpot," said Sar Richards, Casino Operations director.

Chinook Winds is proud to offer new machines throughout the gaming floor on a regular basis.

"We are adding 12 new tournament machines the first week of May and have just added brand new machines in our non-smoking area" said Richards.
