Every man has two educations – one is given to him and the other he gives to himself. Of the two, the latter is by far the most valuable. Indeed, all that is most worthy in a man, he must work out and conquer for himself. That is what constitutes our real and best nourishment. What we're merely taught seldom nourishes the mind like what we teach ourselves.

To all the boys born in May: Robert A., Kane E., Jesse J., and Todd W. – Happy Birthday.

Sincerely, your mom, and cousin Nakoa A.

Happy Birthday to Robert Alexander Williams from your Granny in Cali! I remember when you were born. They had to use a forklift to get you out of your mother's womb. Your given name from your Granny is Bear Toe. We love you. Come see me soon, Grandson.

Love, Granny Kim

Happy Birthday, Mateas. You don't remember me, but your momma brought you to me and you were so beautiful. You were always looking in the sky. I knew you could see all the angels around you. I love you. Happy Birthday, Grandson. Hope to see you too!

Granny Kim

Happy Birthday, Roxey. Miss you.  
Kim.

Happy Birthday, Cameron Fisher, from everyone in Cali.

Love, Granny Kim

My Baby B. – Not a day goes by that I'm not thinking about you and loving you. Baby, I have 10½ months, that's a book and a nap.

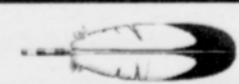

Just know no matter where life takes us, my heart belongs to you for always because what we have is real. Daddy, I can't wait to see that bomb smile. Remember me, baby. We can't be faded pā.

Aimee Lucas AKA SLM
