Students from grades K-12 participated in the talent show in various performances, including musical skits, sign language presentations, poetry, baton twirling, and more.

Veterans Information

by Margo Hudson

I would like to thank all the veterans who participated in this year's Memorial Day celebration on Government Hill. The wind teased us a bit, but we made it through. The rifle squad was the finishing touch.

Thank you, Sar Richards, for participating in the Honor Guard and also as the keynote speaker.

Items of Interest

This year, the Oregon State Fair will honor veterans with Veterans' Appreciation Days during the first weekend of the fair, Aug. 24-26.

The 2007 Veterans' Voucher will provide veterans with free fair admission on these days. These vouchers will be printed in the July-August edition of *Vets News* and on the ODVA Web site at www.oregon.gov/ODVA. I will try to get something out in the next issue of *Siletz News* if I receive it in time.

In addition to the fair's traditional offerings, numerous special activities have been planned for this time – a parade at 11 a.m. followed by a USO-style show, and Mo's Restaurants will provide lunch for veterans and their families.

The Plumbers and Steamfitters Union Local 290 now offers free training, apprenticeship programs, and job placement to veterans looking to make a career change. No experience is needed to receive the free training.

After training is complete, 18 months will be removed from a typical four- to five-year apprenticeship program. New apprentices can choose to become a plumber or pipe fitter.

For more information, please call Local 290 at 1-800-452-2912 or McMichael at 503-931-2135.

Please stop by my office for a copy of the latest *G.I. Jobs* magazine. I have a limited supply.

This is a civilian career guide for military job seekers. It features reasons to hire military, career advice, and the top 50 military-friendly employers.

Please mark your calendars – John Farrar, the DVOP representative, will be in the tribal administration building in Siletz on July 12 from 1 p.m. to 4:30 p.m.

He is here to service and/or to answer questions that any veteran might have.

Upcoming events we need volunteers for include: Boxing event at Chinook Winds on July 13 and the Relay For Life celebration in Lincoln City on July 20. I need Color/Honor Guard for four positions for each event.

Computer Funding Approved

by Tina Retasket

Once again, thanks goes to the Siletz Tribal Council for approving funding for desktops and a limited number of laptops for college students.

Tribal staff is working on obtaining quotes for price per individual unit in order to obtain the most computer for the least amount of money. These will be new, state-of-the-art computers. Bid responses will go to the Tribal Council in July for awarding a contract based on the bids received.

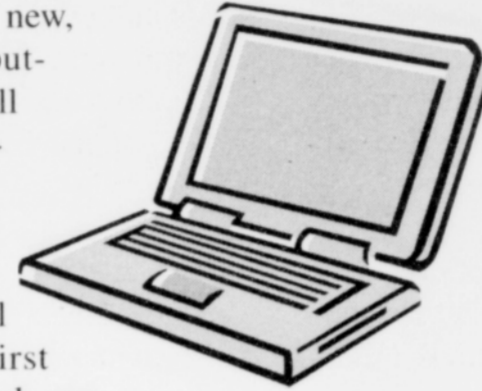

Staff and council are aware that the first computers purchased are beginning to fail because of use and time. The components are outdated at five years old and the cost to repair them is nearly as high as purchasing a new one.

In addition to providing laptops for eligible college students and desktops

to tribal member households that have not received one previously, Tribal Council approved purchasing a limited number of replacement computers for tribal member households that received one in 2002.

Households that are non-tribal but have legal custody of a tribal child are eligible to apply on behalf of that tribal child (NIC application). The adult is responsible for all taxes associated with receipt of the computer and if the child should leave the home, the computer must go with the tribal child.

If you would like more information or need to request an application, please call Tina Retasket, assistant general manager, at 541-444-8210 or 1-800-922-1399, ext. 1210.
