Hunting and Fishing Reporting Incentives

The Natural Resources Committee has decided to implement an incentive program this year for reporting hunting and fishing tag successes.

It's the tag holder's responsibility to report to the Natural Resources Department when the tag has been filled. Everyone who reports filling their tag will be entered into a drawing for prizes.

The drawing will be held at the first Natural Resources Committee meeting following the end of the fishing season (December meeting) and after the end of the last hunting season (April meeting).

Incentives for the 2007-2008 seasons will be gift certificates to Sportsman's Warehouse in Salem. There will be one \$50 gift certificate for salmon tag reporting and three gift certificates for hunting tag reporting (\$100, \$75, \$50).

Remember, it's the person whose name is on the tag who must report if it is filled. This will be the person whose name is entered into the drawing.
