Re-Use a Shoe – A Nike Global Community Investment Program

More information available at www.nike.com/nikebiz/nikebiz.jhtml?page=26&cat=reuseashoe

Every year, across the globe, millions of pairs of athletic shoes end up in landfills or are disposed of in some other way. That's a lot of shoes going to waste that contain valuable materials that could be re-used if a degree of imagination, some ingenious engineering and a persistent pursuit of the principles of sustainability were to be applied.

Nike and its partners provide you with several options to turn in your old Nikes – or any other brand of athletic shoes – to be recycled. The best option for you depends on where you live and how many old shoes you'd like to donate.

Nike Stores as well as participating partner retail stores, athletic clubs, schools and colleges are all locations where shoes can be collected. In the United States, we also partner with members of the National Recycling Coalition to increase recycling efforts in communities across the country. We provide communication materials for collection partners to spread the word.

Oregon locations include Beaverton – Far West Fibers, 503-643-9944; Corvallis – Five Star Sports, 541-754-6825; Eugene – Nike Store, 541-342-5155; Lake Oswego – Portland Recycling Team, 503-228-5375; Salem – Gallagher Fitness Resource, 503-364-4198; and Woodburn Factory Store, 503-982-0330.
