

Helping Others During Community Days

by Teresa Simmons

Chinook Winds Casino Resort and Chinook Winds employees played a large part in Community Days, a nine-day annual event in Lincoln City during which money is raised for several non-profits and charities.

We had five teams of four play in the Mud Flats Golf Tournament. A course is laid out on the mud-flats at low tide, the participants wear boots and get one golf club each. It's a fundraiser for the Taft High golf team.

The Chinook Winds limo took Miss Oregon to the Meet and Greet at Mo's restaurant.

We had a team of six who worked the annual food drive for the Lincoln City Food Pantry and Chinook Winds donated \$1,000 to help feed the hungry.

Aces, the lounge at the golf course, was asked by the Community Days Committee to participate in the Pub Crawl/Poker Run and hold the judging of the poker hands. The hors d'oeuvres were good, the service was good, and the judging worked out fine. The top three poker hands each were awarded a glass float.

We donated prizes for many of the events that are part of Community Days and the annual Community Days banquet took place at Chinook Winds. And, I might add, we had rave reviews on the banquet, the quality of the food and the wonderful service provided by the staff. In fact, Chinook Winds received praise in every portion of our participation in Community Days. Our staff rocks!
