A special thanks to my sister, Loraine - I love you! Our family wants everyone to know how special you are. My sister gave our family a car, put all brand new tires on it. It runs perfect and now I never have to worry about you breaking down on the road, my sister said, because I always drive reservation cars!

Also, to Sunshine for all your help with keeping up with my appointments in Portland and having my medicine when I need it!

Love always, Lavern E. Butler
