Mud racing world – so there we were ... necks stretched to capacity, heads turned to the left, a silence over the crowd, then bam! Racin' for the fun of it every night in the front row (OK, close to the front)! Heat beating down on us like the Mohave desert (OK, we were in the shade). Our one and only "babe!" "I got you, babe" ... in a photo, that is! Mud was flying (trucks too), wheels spinnin, engines screamin (and babies too) – truly an action-packed day! She was having the time of her life and huge beautiful smile! She must have been goin hundreds of MPH (seemed like it to us)!
