

Time to Enroll for Tribal Head Start Classes

Siletz Tribal Head Start is now accepting applications for the 2010-2011 school year for children who will be age 3 or 4 by Sept. 1, 2010.

We have classrooms in Lincoln City, Portland, Salem and Siletz. You do not have to be American Indian to qualify for our program.

Siletz Tribal Head Start is a free preschool program that offers a developmentally appropriate and American Indian culturally relevant preschool experience. Our program offers activities designed to promote your child's physical, social-emotional, language and cognitive development.

Services also are extended to support families and meet their needs for parenting, continuing education, training and job search strategies.

Please call us today at 800-922-1399 or 541-444-2532 and ask for Head Start to request an application. Applications also are available in the Human Resources office at Chinook Winds Casino Resort and at all Tribal area offices.

Correction of Pow-Wow Dates in Calendar

Because of a printing error, the dates for the 2010 Nesika Illahee Pow-Wow in the current Tribal Restoration calendar are incorrect. This pow-wow will take place Aug. 13-15, not Aug. 7-9 as listed in the calendar.
