Logan Butler competes at the OSAA State Wrestling Championships.

## Butler finishes season by competing in state wrestling tournament

What an amazing experience our boy had at the 2011 state wrestling championships at Memorial Coliseum in Portland, Ore., in late February.

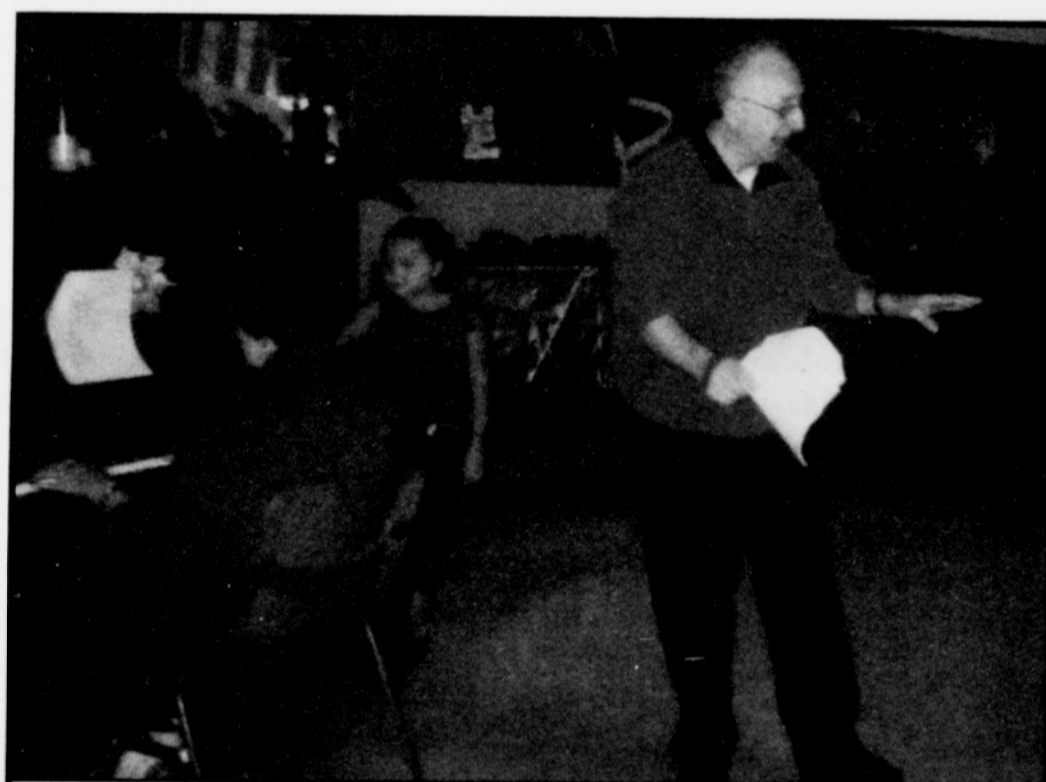

He started off winning his first match 10-1 and continued with two more matches the next day. His final match went into triple overtime with his opponent taking the win and Logan unfortunately not qualifying to place.

We have an exuberant amount of joy in our hearts as Logan had a season some freshmen do not achieve. He went 25-5 overall at 112 pounds, took first at a tournament for all 1A schools in Lowell, Ore., and first at district, which sent him to state where he finished 1-2.

Not only his dedication, heart and hard work but his attitude, sportsmanship and "teammanship" are those of a champion athlete! If you happen to see Logan, please shake his hand and congratulate him on a job well done!
