## Over-income rehab construction grant program opens for applications

The Over-Income Rehabilitation Construction program funds over-income families with a \$5,000 grant for construction rehabilitation on the primary residence they own or families who have possessor rights to their home.

Rehabilitation refers to repairs or renovations to the home but does not include appliances, saunas, hot tubs, swimming pools, etc.

Over-income refers to Tribal members whose income exceeds the income limits set by the Native American Housing Assistance and Self-Determination Act (NAHASDA). These are listed below:

1	2	3	Base 4	5	6	7	8
39,050	41,200	46,350	51,500	55,600	59,750	63,850	68,000

If you are a Siletz Tribal member and have not received an over-income grant, call the Housing office to request an application.

Applications, including proof of income, enrollment and proof of homeownership, must be submitted to the Housing office by July 29 at 4:30 p.m. Applications received after that date and time will not be accepted by the Siletz Tribal Housing Department.

Qualified applicants will be placed in the lottery drawing, which will be held in August on a date approved by the Tribal Council.

If you have any questions, please call Jeanette Aradoz at 800-922-1399, ext. 1316, or 541-444-8316.
