

12 slots available in Tribe's College Student Summer Internship Program

Students attending college can apply for the Tribe's 2012 College Student Summer Internship Program.

Applications will be mailed to known students. If you do not receive one, please contact Assistant General Manager Bonnie Petersen or the education specialists at any Tribal area office to request an application.

Priority for placement is for students entering their third year of college or

above, but all levels are eligible if funding exists. Twelve slots are available this year.

Students can work up to 360 hours at \$10.90 per hour. They can be placed within or outside of the Tribe.

This program strives to help give students employment experience in their field of study. Our hope is that students will come to work with the Tribe following graduation and when jobs in their degree area come open.

Students must send a completed application and an unofficial copy of their transcripts to:

Time to get wood before fire season begins as new firewood landings open

The Rock Creek #2 firewood unit once again is open for Tribal member firewood cutting, with more landings available on which to cut.

This is the area that was open last spring and summer. It is located approximately 11 miles from Siletz. It may close once fire season gets going, so get your firewood for next season now.

Permits are required and can be obtained at the Tribal Natural Resources

office in the administration building in Siletz from 8 a.m. to 4:30 p.m. on weekdays. Maps and directions also are available at the same location.

Permits will be issued to Siletz Tribal members only who will need to show their Tribal ID card and provide the license number of the vehicle they will use to haul the wood. Woodcutters from outside of the Siletz-area can call the numbers below to have a permit mailed to them.

The permits are for Tribal member woodcutting for personal use only. This firewood may not be sold. The person named on the permit must be present when cutting and hauling the firewood.

Tribal members wishing to cut wood for Tribal Elders must present a signed note from the Elder stating that the individual is authorized to cut firewood on the Elder's behalf. The note must include the Elder's Tribal ID number.

Permits are good for two weeks and allow up to two cords of wood to be cut on each permit.

Each Tribal member is allowed up to five cords total per year from Tribal firewood units.

For more information, stop by the Natural Resources Office or call Natural Resources Manager Mike Kennedy at 800-922-1399, ext. 1232, or 541-444-8232.

Change Team seeks input from LGBTQ/Two Spirit community on programs

If you identify as being LGBTQ/Two Spirit and have utilized Tribal services in the past or present, we would like to

capture your story and input. We want to know if the services you received met your individual needs and if not, how we can improve those services. All information provided will remain confidential.
