**Head Start winds up another year**

by Lori Jay-Linstrom,  
Parent Involvement Coordinator

It's time to get your new Head Start application or if you already have one, please fill it out and return it with the required documentation. The Head Start director will make the first round of selections in June. Call 800-922-1399 or 541-444-2532 and ask for Head Start.

Our Head Start center families enjoyed many different activities this past month, including swimming, seed planting, literacy events and field trips.

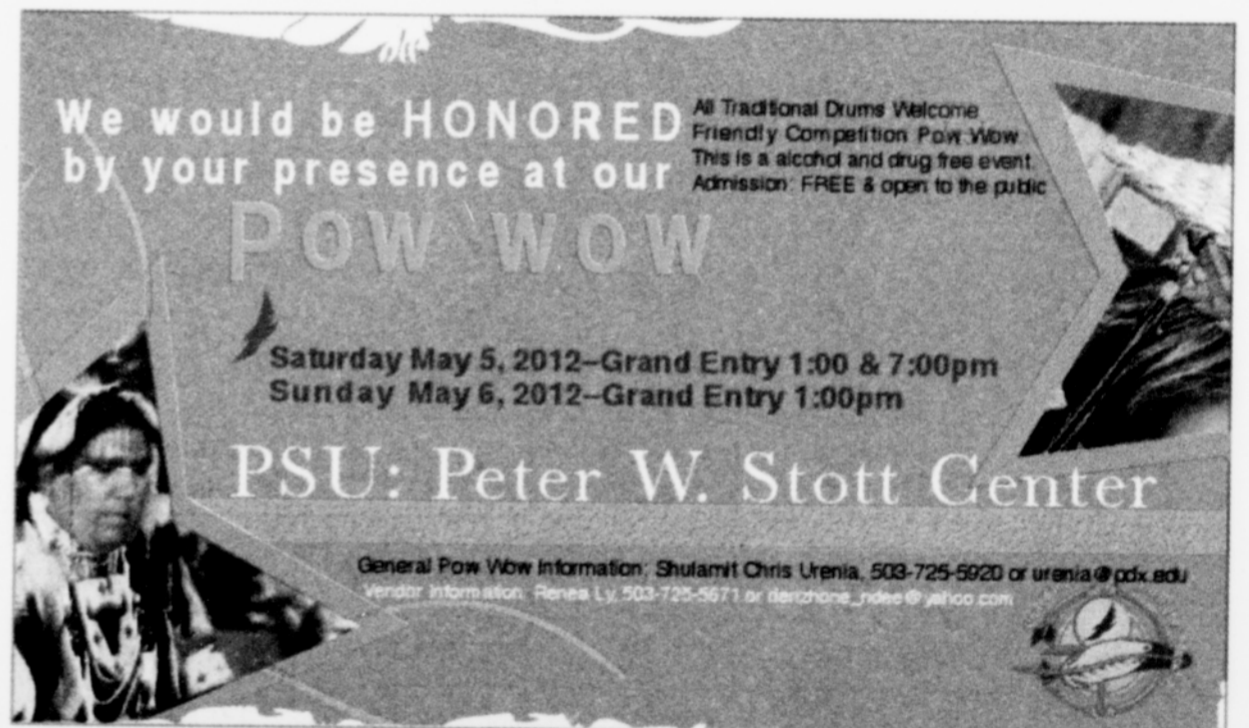

During May, our program will end for the summer. The last day of classes will be May 17 in Portland, May 23 in Salem and Lincoln City, and May 30 for Siletz and Tenas. Ask classroom teachers for details.

I would like to take this opportunity to thank all of the parents in the program. They volunteered their time to help out their classrooms by participating during class time. They mowed our lawn in Salem. Some of our parents are volunteer firefighters and they attended our Lincoln City classroom as a community helper.

Parents also took the time to be officers for the parent committees and many joined the Policy Council. We need volunteers every year, not only the parents but community members too.

If you would like to volunteer for our Head Start program in your area, please do so. Your help is needed in a variety of ways. Call the numbers above for more information or contact the classroom directly.
