The Siletz Valley School Board of Directors and school administration would like to thank our students, staff, parents and community partners for making this year a successful school year. Your continuous support for our schools and its academic programs is greatly appreciated. In addition, we would like to recognize our friends in the district for their guidance and especially the Confederated Tribes of Siletz Indians for its support through the Charitable Contribution Fund. Without it, we would not be able to offer the kinds of culturally and quality academic programs our students are receiving.

The class of 2012 would like to extend special thanks to these generous sponsors and partners: Siletz Education Department, Confederated Tribes of Siletz Indians, Lincoln County School District, Oregon Coast Community College, Siletz Boosters and staff and parents who have contributed their time and resources to honor our graduating class. Lastly, we want to thank the Grad Night Committee for all they have done for us. Thank you!
