

# Hunter education class set; youth must pass class to obtain license, tag

A youth hunter education course will be held at the Big Timber Rifle and Pistol Club on Wade Road just north of Siletz beginning Aug. 13.

The course will consist of six classes running from 6-9 p.m. on Aug. 13, 15, 17, 20, 22 and 24.

Youth must successfully complete all six classes to receive their hunter educa-

tion card. This card is required of all youth age 12-17 in order to obtain a Tribal or state hunting license and tag.

The Tribe's Healthy Traditions program will cover the \$10 course fee for all Tribal youth interested in taking the course. To sign up, contact Natural Resources Manager Mike Kennedy at 541-444-8232 or Natural

Resources Administrative Assistant Rosie Williams at 541-444-8227 (or either one at 800-922-1399); or stop by the Tribal Natural Resources office during regular work hours.

Information on the times and locations of other youth hunter education courses can be found in the hunting section of the Oregon Department of Fish & Wildlife's website at [dfw.state.or.us](http://dfw.state.or.us).

## Youth gain trout fishing opportunity

The Oregon Department of Fish & Wildlife partnered with the Siletz Tribe again this summer to provide more than 800 trout for harvest by Tribal youth at the Tribe's Lhuuke Illahee Fish Hatchery during a series of kids fishing days and Culture Camp events.

Because some fish still are present in the pond and are doing well, the Tribal Natural Resources Department will offer additional opportunities for youth to fish for these trout.

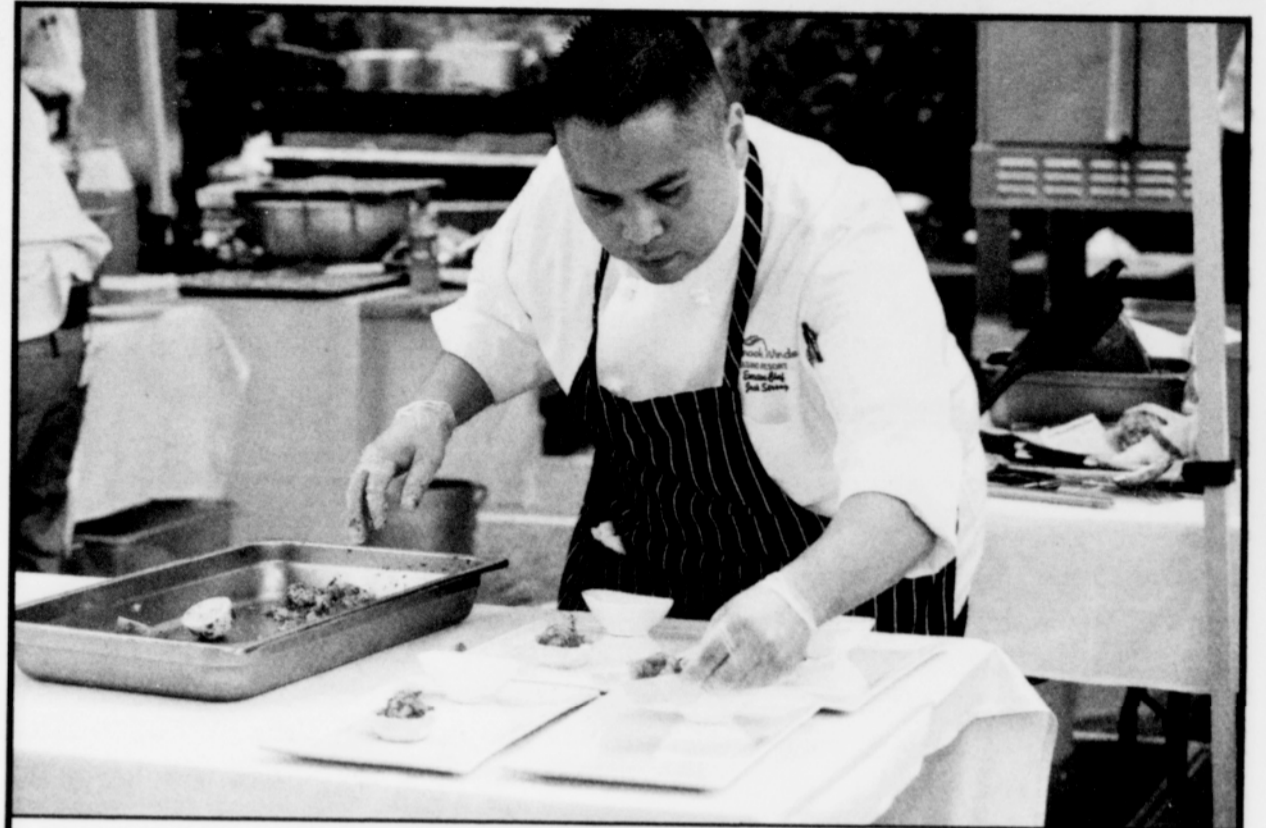

Tribal members now can obtain a permit from the Natural Resources Department to take their kids fishing at the hatchery. Fishing will be open at the

lower pond (the one without the cement walkway) daily from 8 a.m. to 5 p.m.

You must have a valid State of Oregon fishing license to fish for these fish if you are age 14 or older. This fishery is **not** covered by the Tribe's fishing tags.

Permits are required and can be obtained at the Tribal Natural Resources office in the Tribal administration building in Siletz from 8 a.m. to 4:30 p.m. on weekdays.

For more information, stop by the Natural Resources office or call Natural Resources Manager Mike Kennedy at 541-444-8232 or 800-922-1399, ext. 1232; or Natural Resources Administrative Assistant Rosie Williams at 541-444-8227 or 800-922-1399, ext. 1227.
