

# Foster parents needed for kids with therapeutic needs

Maple Star Oregon's therapeutic foster care department serves youth with emotional, behavioral and/or mental health issues who cannot live with their own families.

We have a high need for parents who can work with youth age 10 and older and youth who have current emotional, behavioral and/or mental health issues. We provide free training to ensure that you have the skills to work with the youth placed in our program.

Maple Star Oregon truly believes in creating collaborative communities of care throughout the state of Oregon. We support and communicate with our therapeutic foster parents in a professional manner. Maple Star Oregon has personable, educated staff to assist you in navigating the world of therapeutic foster care. We appreciate your dedication to

caring for youth in the community and your efforts will not be overlooked.

We work with all different types of therapeutic foster parents – single, married, employed, not employed, partnered and retired.

Our therapeutic foster homes offer a positive, structured family setting for children who cannot live with their own families, temporarily or permanently. Certified therapeutic foster parents with our agency provide all the essentials of a family setting, including positive communication, guidance and support. Providing this care helps youth develop a sense of security, a positive self-image and the necessary skills to function independently and contribute to their community.

We welcome inquiries from all people interested in joining our team. We have monthly informational sessions. Come

join us and learn more about becoming a foster parent with our agency.

Call Anna at 503-290-1918 or 888-MSOREGON; or visit facebook.com/maplestaroregon for more information.

Please join us for our Honoring Ceremony,  
Salmon Bake and Conoe Naming Event!

We will be meeting this year for the 20th anniversary of this event at Tseriadun State Park in Port Orford, OR.

We will be honoring our ancestors and the many families who lived at the site for thousands of years.

We gather to pray and remember our relative who were rounded up and taken away from this place in the 1850s.

This year several Tribal groups are bringing their canoes to paddle in Garrison Lake and help us bring out our family canoe.

We will have drumming, dancing, a traditional give-away and lots of delicious food.

We are providing baked salmon, frybread and beverages. Please bring a dish to share!
