Class of 2017

By Tiffany Stuart
 Principal Sam Tupou welcomed all of the families and friends of the 17 eighth-graders promoting to high school on June 4.
 The West Coast Boyz opened the ceremony with an honor song. Steven Lindstrom, Siletz Valley Early College Academy valedictorian, gave words of advice to the incoming freshmen.
 The teachers gave academic improvement awards. Among those awards, Chloe Oliphant, Siletz Tribal member, received the math award.
 Each student was announced and certificates given. To conclude the evening, a slide show of pictures of each student was shown. Crowd favorites were their baby pictures.
 A reception with cake and punch followed while everyone took family photos and visited.
