2013 Camp

#inTENTSity

Camp #inTENTSity included two full days of workshops for the 32 Teen attendees which included Body Image, Healthy Relationships, Hot or Not: Gendered Media Message, May I Kiss You?, Drama Group, Feelings: Who do we listen to?, Too Smart To Start, What's For Breakfast?, and Dangers of Sexting.

Camp was not all just workshops. We played Jeopardy, football, volleyball and basketball, among other activities. We offered a collaborative art project and of course we had s'mores for dessert, along with a film screening and time for the teens to chat and connect with each other.

Our first camp was a success because of our partners and collaborators. We want to thank them all for helping to make this experience a success for our Youth!

Which workshops did you like at Camp?

"I like the healthy relationships workshop. Basically we learned how to respect each other and how to be in a healthy relationship. What it takes, what qualities you have to possess to have a healthy relationship." *Savannah Worman*

"I like the same workshop. It showed us new perspectives on how to treat our relationships and get along better. I liked the 'Hot or Not' workshop. It showed us the dangers of media. The way it persuades people to think one way or another." *Richard DeAnda*
