Head Start prepares for start of new year

By Lori Jay-Linstrom, Parent Involvement Coordinator

There is still time to send in your application as Siletz Tribal Head Start continues to accept them for the 2013-2014 school year.

We have Head Start centers in Siletz, Salem, Portland and Lincoln City. For an application, please call 800-922-1399 or 541-444-2532.

Parents have an array of volunteer opportunities. They can volunteer in the classrooms by participating during class time, help with building and lawn maintenance and serve on the Parent Committees, Policy Council and our Health Services Committee.

We need volunteers from the community too. It is easy to become a volunteer. Once the required packet is completed and returned, you will be on your way.

If you would like to volunteer for Head Start, please call the numbers above for more information or contact the classroom directly.

August is the month for Head Start orientations for all of our sites. Staff will return to the classrooms to get them ready for our students and parents.

This year, we will work on school readiness goals, our annual raffle, family fun nights, Policy Council, parent meetings, volunteer training, heights and weights, dental screens, developmental testing and mom, dad and grandparents breakfasts.

Passages Policy

Submissions to Passages are limited to two 25-word items per person, plus one photo if desired. All birthday, anniversary and holiday wishes will appear in the Passages section.

Siletz News reserves the right to edit any submission for clarity and length. Not all submissions are guaranteed publication upon submission. Please type or write legibly and submit via e-mail when possible.
