### Be a Foster Parent—Help a Child in Need

“When the Children Grow Old...  
We Want Them to Know We Fought for Them”

There are many ways to fight to protect our children.  
One of those ways is by being a foster parent.  
The Siletz Tribal Indian Child Welfare Department  
is accepting and recruiting foster homes  
on behalf of our Tribal children.

If we see a child in need,  
We meet the needs of that child.  
It is the way of our people.
