Annual contribution to fire district solidifies longstanding partnership

A contribution of \$71,478 has been made to the North Lincoln Fire & Rescue District as an ongoing partnership between Chinook Winds Casino Resort, the Confederated Tribes of Siletz Indians and the fire district.

"The fire district greatly appreciates the past and future support of the Confederated Tribes of Siletz Indians and the opportunity to provide Chinook Winds Casino Resort with fire protection and emergency services," said Fire Chief Don Baker in a recent letter from the district.

Every budget year, the fire district and Chinook Winds enter into an agreement of funds to help the district provide fire protection and emergency services to Tribal properties held in trust. The fire district determines what money is needed to service all the properties owned by the Tribe and submits the requested amount.

"We are proud of our partnership with North Lincoln Fire & Rescue District. The Tribe and the casino know the importance of strong community partnerships like this one," said Casino General Manager Mike Fisher.
