Emergency Housing Assistance opens Jan. 1, not available again until 2015

By Brett Lane, Admissions Specialist, Siletz Tribal Housing Department

The Siletz Tribal Housing Department's Emergency Housing Assistance (EHA) program will begin accepting applications Jan. 1. No applications will be accepted early.

Applications are available through the Siletz Tribal Housing Department, the Tribal website and all area offices.

This program is operated on a first-come, first-served basis. Only completed applications will be processed and served.

If your application is not complete, funds will not be held for you.

Once the funds are depleted, the program will close and will not reopen until the next funding cycle in January 2015.

Service district is throughout all of the United States.

- EHA can be used to enable a Tribal member/Tribal family to get into a permanent home if there is a situation of homelessness. Homeless is having no personal residence or if the person/

family is temporarily staying with someone else.

- EHA should not be used as a tool to move from one residence to another without good cause.
- EHA is available every three years, to the date. Your application will not be set aside until your date comes up and it will not be accepted if you apply early.
- Your application must be complete and you must comply with all stipulations of the program (income verification, proof of Tribal enrollment, Social Security card copies and proof of household composition) before funds will be payable.
- If you are homeless and are approved for assistance, you will have 14 days

in which to find a place to live, obtain a rental agreement and get information to STHD to process payment.

- If you are facing eviction, you must have a signed 72-hour eviction notice from a landlord or rental property.
- If you are facing foreclosure, you must have proper documentation from the mortgage lender in order to process.
- Assistance cannot be provided to those already participating in Low Rent, Mutual Help and Rental Assistance programs.

If you have any questions, please call me at 541-444-8317 or 800-922-1399, ext. 1317.
