

Want help getting a job?

Do you have a diagnosed disability (IEP or 504)?

You could be eligible for STVRP services.

Steps in working with the Siletz Tribal Vocational Rehabilitation Program (STVRP)

Step 1: Establish contact with the STVRP counselor assigned to your school and schedule a meeting. Your first meeting with a STVRP counselor will be to gather information about you and your needs, and to discuss whether the STVRP fits for you. If the program is for you ...

Step 2: Sign an application and a STVRP counselor will determine whether or not you're eligible for services by talking with you about your needs, your disability and what barriers you have as a result. The counselor also may need to do some additional testing and will read through your school records.

Step 3: Once you're eligible, you'll meet with your STVRP counselor to discuss your goals and plans for employment. STVRP counselors can provide guidance and counseling to students who need help determining their goals or planning for what they want after high school.

Step 4: You'll also work with your STVRP counselor to discuss the impact of your barriers as you work to reach your employment goals and determine what services are necessary to help you reach your goals.

You can get the help you need – schedule your appointment today!

Employment-Focused Transition Services

Siletz Tribal Vocational Rehabilitation Program

Dear Student and Parent/Guardian,

Did you know that a student may qualify for and benefit from support to strengthen his or her ability to go to work after high school ends? Did you know that the planning process for getting needed support starts while a student is still in high school?

The Siletz Tribal Vocational Rehabilitation Program (STVRP) provides staff in schools to offer employment-related assistance to students who are on Individualized Education Plans (IEP) or 504 plans and may benefit from assistance in transitioning out of high school into the world of work. STVRP has a partnership with your local school district to inform you that you may qualify for services.

Much like school supports that allow for a better chance to complete high school, employment supports are based on individual needs and services are specific to each person to achieve the goal of employment.

Your TVR counselor will work with you to help determine how your disability affects your ability to go to work. If you are eligible for STVRP services, you and your TVR counselor will focus on how to assist you with making your transition out of high school into employment.

If you are interested in more information about STVRP and/or scheduling a meeting with the TVR counselor assigned to your school district, please contact:

STVRP in Siletz – 800-922-1399/541-444-2532
STVRP in Salem – 503-390-9494

We look forward to assisting you with your vocational needs!

STBC updating website for Tribal business owners

The Siletz Tribal Business Corporation is updating its website for every Siletz Tribal member business owner over the next few months and needs your updated information.

Please contact Kimbrali Somes at 541-994-2142, 877-564-7298 or ksomes@stbcorp.net for more information and/or to provide your business information.

This is a great way to get your business an online presence if you don't have a webpage and to increase your presence if you do.

Time to gather materials for baskets

Spring is here and very soon hazel sticks will be ready to pick and peel.

Hazel stick gathering is a must for anyone interested in making traditional Siletz baskets. Spruce root can be dug all year round and is used for the weavers or weft of Siletz baskets.

Bear grass and maidenhair fern are used for overlay to make our traditional designs or marks in our baskets and both are picked in late summer.

Any Tribal members interested in gathering can call Bud Lane at 800-922-1399, ext. 1320, or 541-444-8320, or e-mail budl@ctsi.nsn.us. Just a reminder – basket materials must be gathered in a timely fashion.

Here is a general breakdown of gathering times for different materials:

May	Hazel, willow and fir sticks; spruce roots
June	Hazel, willow and fir sticks (until mid-June); spruce roots
July	Fir sticks, spruce roots, bear grass, maidenhair fern
August	Fir sticks, spruce roots, bear grass, maidenhair fern, hazel sticks (limited), willow sticks
September	Bear grass, maidenhair fern, woodwardia fern, spruce roots
