Staff at the Siletz Community Health Clinic showed their support for Denim Day by wearing denim and teal on Wednesday, April 23rd

Camp #inTENTSity

Last year the CARE Program sponsored a two-day overnight camp for youth ages 12-17. Topics presented included healthy relationships, sexting, healthy snacks, positive body image and drug/alcohol prevention.

We are preparing for Camp #inTENTSity 2014, to be held in late July. If you are interested in presenting a topic, teaching a lesson or volunteering to chaperone at camp please contact Brittany Russell at 541-444-9679 or by email at brittanyr@ctsi.nsn.us

More information and registration will be available in early June.

The Prison Rape Elimination Act (PREA) was passed in 2003 by unanimous support from both parties in Congress. It establishes a standard that rape in prison—just like rape on the outside—is unacceptable.

Roughly 200,000 men, women and children reported being sexually abused in detention facilities in 2011, the most recent year for which the Bureau of Justice Statistics (BJS) has anonymously self-reported data from inmates. For prisons, whites reported inmate-on-inmate sexual victimization at twice the rate of blacks. Black and Hispanic inmates reported higher rates of staff sexual misconduct. Persons of two or more races reported by far the highest rates for both inmate-on-inmate (4 percent) and staff sexual misconduct (3.9 percent). And of the more than 600 correctional facilities surveyed that year, the Oglala Sioux facility in Pine Ridge, S.D. reported the highest rate of staff sexual misconduct (10.8 percent). (The national average for prisons and jails is 2.4 percent and 1.8 percent, respectively).

Thank You!

The CARE program would like to thank all of the community members, CTSI staff and local businesses that helped to make the 2nd Annual SAAM 5K Run/Walk a success. A huge thank you goes out to our two business sponsors, Dahl Disposal Service and Lincoln Plumbing, Inc., as well as to Newport Chowder Bowl for donating clam chowder, and Newport Dutch Bros for donating coffee and cocoa. We would also like to thank Grove Veterinary Clinic for donating a dog-themed gift basket. In addition, the support of the staff at the Tillicum Fitness Center and assistance from the Coast Hills Running Club helped contribute to the success of the event. We look forward to seeing everyone again in 2015!

Coming Up

May 15: Health Fair @ Siletz Community Health Clinic

May 26: Memorial Day

May 29: Family Night @ SVS (5-7pm)
