Free resource available for Oregonians who have problems with their insurance

Many people don't realize there is a state resource that can help when they are faced with a denied claim, a confusing policy or uncertainty about coverage choices.

The Oregon Insurance Division has recently launched an awareness campaign to make sure Oregonians know they have a team of experienced consumer advocates available to help with problems related to health, auto, life or other types of insurance.

Advocates help explain complex policies, resolve miscommunications with insurance companies and in cases where there has been a mistake, work toward a resolution. Last year, advocates helped clients reclaim more than \$1 million in unpaid benefits.

The Insurance Division also can assist on the front end, when you're buying insurance, to help you avoid common mistakes.

These services can be a big help to you, your friends and families, so visit online at insurance.oregon.gov or call an advocate at 888-877-4894 if you have any questions.

The service is free, confidential, and available Monday through Friday from 9 a.m. to 5 p.m.
