Hello everyone:

This is in regards to a fishing survey that was mailed to a select group of Siletz Tribal members in August 2014. Thank you to those who have kindly completed the survey and returned it to us.

We ask everyone who has not returned it yet to please take a few minutes to complete the survey and return it in the self-addressed, stamped envelope that is provided.

We appreciate your time and are hoping to incorporate Tribal values into natural resource decision-making.

Sincerely,
Gabe Sheoships

Be a Foster Parent—Help a Child in Need

“When the Children Grow Old...
We Want Them to Know We Fought for Them”

~

There are many ways to fight to protect our children.
One of those ways is by being a foster parent.
The Siletz Tribal Indian Child Welfare Department
is accepting and recruiting foster homes
on behalf of our Tribal children.

~

If we see a child in need,
We meet the needs of that child.
It is the way of our people.
