**Thank You**

June 2 was my last day with the Tribe. During the Head Start graduation ceremony, the Head Start staff and kids presented me with a beautiful Pendleton blanket, gift card, jam, a plant and a highlighter with a cute saying on it. Thank you very much for the gifts and the thoughtfulness.

I would also like to thank my family for the lovely flowers and thank you Robin, Kim, Janet and George for the cards.

Thanks everyone for making my last day a wonderful one.
