

Mountain Huckleberries

Mountain Huckleberries are a favorite sweet treat of our ancestors. This variety of huckleberry only grows in high elevations and is sweeter than the varieties that grow on the coast and in the valley. Join us and taste the difference!

Mountain Huckleberry Season

This is the potential gathering date, depending on weather:

Weekend of August 15-16

Sign up today!

Join us for a day trip or camp out for the weekend at the scenic Cougar Rock huckleberry patch.

We have two meeting locations, one in Siletz, and one in the valley. Contact us for meeting location, times and details.
