

# Where is my per capita check?

Per Tribal Council Resolution 2015-169, per capita checks were mailed July 31 to the address on file with the Enrollment Department. If you were a "Missing Moccasin" as of July 17, your check will be held in the Accounting Department until a correct address is submitted.

Policy states you must wait 15 business days (in the case of per capita checks until Aug. 21) from the time of mailing before you can submit a request for a "stop payment" and have the check re-issued. This allows time for the check to be returned if it is "undeliverable" at the address to which it was mailed.

In order to have your check re-mailed, you must have your current mailing address on file with the Enrollment Department. If you have updated your address with Enrollment since the end of the business day (4:30 p.m.) on July 17,

your check will be mailed to the updated address when it is returned.

## How do I update my address on file with Enrollment?

In order to receive any mail from Tribal administration, including per capita checks, the Tribal member must submit the Enrollment form "Address & Contact Information Update." Address changes are not allowed over the phone.

The form is available by:

1. Going to the Tribal website – [ctsi.nsn.us](http://ctsi.nsn.us), click "Government Listings" on the banner, select "Enrollment" from the drop down and the form is on the right side of the page. You can fax or scan/email the form, then mail the original to get your contact information submitted quickly.

2. Going to your local Siletz Tribal office and ask for the form. Staff members there will send it via fax/email to the Enrollment Department and route your original for you.
3. Calling the Enrollment Department at 800-922-1399, ext. 1258, or 541-444-8258 if you do not have Internet access or are unable to go to a Tribal office.

## What is a "Missing Moccasin"?

This is a Tribal member who has an invalid address on file with the Siletz Enrollment Department. The Enrollment Department has received mail back for a Tribal member as "undeliverable."

Enrollment staff will attempt to contact the Tribal member at the most recently provided phone number. Once it is determined there is no way to get a

message to the Tribal member, the member's name will be added to the "Missing Moccasin" list for publication in *Siletz News* each month.

If you know someone on this list, please ask him or her to contact the Enrollment Department, as he/she will not receive this newspaper.

**As of July 17, 2015, at the end of the business day, there were 134 ADULT Siletz Tribal Missing Moccasins.** If you are on this list as published below, please update your contact information immediately.

Children's names as "Missing Moccasins" are not published in *Siletz News*; there are 106 children with an invalid address. If you are not receiving your child's quarterly statement for his/her trust account, he/she may have an invalid address on file.
