Tribe continues to donate money to community through charitable fund

The Siletz Tribal Charitable Contribution Fund distributed \$373,780 to 37 organizations on July 31 as it continued its quarterly donations to nonprofit groups.

The Siletz Tribe has made contributions through employment, monetary donations and cooperative measures to the Siletz community, Lincoln County and the state of Oregon. The seven-member charitable fund advisory board has distributed more than \$9.6 million since its inception in 2001.

Overall, the Tribe has honored its tradition of sharing within the community by distributing more than \$12 million

through the charitable fund and other Tribal resources. Chinook Winds has donated more than \$2.8 million in cash and fund-raising items since it opened in 1995. The casino also provides in-kind donations of convention space for various fund-raisers as well as technical support, advertising and manpower for many events.

The next deadline to submit applications is Sept. 16, 2015. Eligibility for money from the charitable fund is limited to two categories:
