The Siletz Tribal Arts and Heritage Society will hold a one-day event, *The Past is Present*, on May 21, 2016, at Chinook Winds Casino Resort (1777 NW 44<sup>th</sup> St., Lincoln City, Ore.) from 1-4 p.m.

Setup will be from 10 a.m.-noon and take-down will be from 4-6 p.m.

All completed applications must be returned to STAHS no later than May 12, 2016, to be considered for a vending space. Please do not delay in returning your application forms.

All applications are reviewed and vendors must meet and agree to all conditions. Prompt submission of this application is the best way to reserve a booth space.

The basic size of a vendor booth is a skirted eight-foot table and chair. The event is inside and will be lighted; electricity is available upon prior request.

The vendor fee is \$25 per eight-foot space. You can pay in advance by check, cash, money order or cashier's check. Once the fee is paid, no refunds. Assigned

areas will be first-come, first-served with payment in full.

Special requests will be considered, but not guaranteed. Until we know how many vendors we'll have, only one space can be guaranteed.

Please submit applications and the \$25 fee to Siletz Tribal Arts and Heritage Society (STAHS), P.O. Box 8, Siletz, OR 97380.

For additional information, contact Josh Eddings at coyoteco@gmail.com.

The event will be broken into three areas in the Chinook Winds convention center. The vendor area will be away from the other events taking place.

Confederated Tribes of Siletz Indians

Tribal Maternal, Infant, & Early Childhood Home Visiting Program

Naytlh - 'a "We Carry the Children"

Our home visiting program provides parenting and life skills for successful and positive parenting. We serve Native families that are either expecting or have infants under the age of 12 months, continuing through the child's third birthday. We travel throughout the 11-county service area of the Confederated Tribe of Siletz Indians. The model and curriculum we provide is called Family Spirit and was developed by the John Hopkins Center for American Indian Health. We are funded by the Tribal Maternal, Infant, Early Childhood Home Visiting Program (TMIECHV).

Family Spirit is evidence-based and culturally sensitive to Native families. Parents gain knowledge and skills for their developing infant through 36 months of age. We also focus on goals and healthy living for parents as a support system for the family as a whole. The program consists of 63 lessons over a 39-month period and is divided into six modules. The modules are broken into these categories: Prenatal care (9 lessons), infant care (16 lessons), your growing child (11 lessons), toddler care (9 lessons), my family and me (6 lessons) and healthy living (12 lessons). While this may seem like a big commitment, the lessons vary from 30 minutes to 90 minutes and some can be combined together as we work with your schedule. Family Spirit suggests we deliver at least 32 lessons to our families in order for families to benefit from the evidence-based curriculum. For the full benefits of the program, we would like to provide all 63 to our families. As a thank you for participating in our program, we offer some incentives that we will be happy to share with you upon enrollment in our program.

During your participation, if you feel like the timeline of lessons is too often, we can adjust the home visits to accommodate your schedule while still keeping the programs timeline in mind. We are a voluntary program that delivers home visits in the comfort of the homes of our families. If you would like to get more information and or meet our home visiting staff, we would love to schedule a home visit to give you a full overview of the program.
