### Attention Siletz Contract Health-eligible Tribal members!

If you receive Contract Health Services approval to see providers/facilities outside of a Tribal clinic, please be sure to inform them at your visit that you have Contract Health Services as a form of payment.

We have seen a number of patients billed for services from their medical/dental/optical providers because the patient did not inform the office that they have Contract Health Services.

If you have primary insurance (through employment, Medicare, Medicaid, etc.), we would be secondary to the primary insurance.

If you fail to provide this information to your providers and they don't bill us in a timely manner, you could be liable for the charges. Please let your providers know that they can submit claims for payment to:
