

Two areas now open for Tribal member firewood cutting

The Natural Resources Department now has two areas open for Tribal member personal use firewood cutting.

The **Logsdan Road** unit (located just east of Siletz) is open seven days a week. It has a mixture of alder, hemlock and some fir. The **Sam Creek #4** unit (9½ miles from Siletz) is open by appointment on **weekends only**. It has larger fir and spruce on three landings.

Permits are required and can be obtained at the Tribal Natural Resources office in the Tribal admin building in Siletz from 8 a.m. to 4:30 p.m. on week-

days. Maps and directions are also available at the same location.

Permits will be issued to Siletz Tribal members only, who will need to show their Tribal ID card and provide the license number of the vehicle they will use to haul the wood. Out-of-the-Siletz-area woodcutters can call the numbers below to have a permit mailed to them.

The permits are for Tribal member woodcutting for **personal use only**. This firewood **cannot be sold**. The person named on the permit **must be present** when cutting and hauling the firewood.

Tribal members wishing to cut wood for Tribal elders must present a signed note from the elder stating that the individual is authorized to cut firewood on their behalf when requesting a permit. The note must include the elder's Tribal ID number.

Permits are good for four weeks and allow up to two cords of wood to be cut on each permit. Each Tribal member is allowed up to five cords total per year from Tribal firewood units.

For more information, stop by the Natural Resources office or call Natural Resources Manager Mike Kennedy at 800-922-1399, ext. 1232, or 541-444-8232.

Funded orthodontic treatment screenings set for 2018

The 2018 Funded Orthodontic Treatment Program is fast approaching! All interested parties should contact the dental department to be placed on a list.

The screening dates are April 16-17 and May 16-17, 2018. The program and amount of accepted applicants will be dependent on the funding for that year.

Applicants are selected by case severity, motivation of the patient and guardian, reliable transportation, routine dental checkups and the oral hygiene history of the patient, to name a few. We want the best results possible for the patient and

thus place emphasis on these items in order to achieve it.

The unbiased selection process is performed under the guidance of an orthodontic specialist and participants are chosen through a committee.

This is open to all ages who are CHS-eligible only. You must have a scheduled screening appointment during one of the four screening days to be considered.

Each year's selection process is independent from previous years and does not carry over. Selected and treated individuals can only be selected once for the duration of the program. All applicants will be notified by mail if they have been chosen.

Please contact the Siletz Dental Clinic at 541-444-9681 or 800-648-0449, ext. 1681, to be put on the list.
