## Higher ed website is one-stop shop for college grants

From Education Update, Oregon Department of Education, December 2016

The Higher Education Coordinating Commission (HECC) encourages students and families preparing for college to go to [OregonStudentAid.gov](http://OregonStudentAid.gov) to check out the more than 500 grant and scholarship opportunities.

It's a one-stop shop for information, including the Free Application for Federal Student Aid (FAFSA), Oregon Promise and the Oregon Opportunity Grant.

The HECC Office of Student Access and Completion (OSAC) awards more than \$80 million each year in state-funded grants and privately funded scholarships to help students meet their college expenses.

## UO offers in-state tuition to Siletz Tribal students regardless of state of residency

The University of Oregon continues to offer in-state tuition benefits to enrolled Siletz Tribal members regardless of their current state of residency.

The Residency by Aboriginal Right Program was first offered in 2001 to 44 Tribes that have aboriginal territories within the state of Oregon that pre-date 1850. Out-of-state students will pay in-state tuition, a \$20,000 savings each academic year.

UO offers bachelor's and graduate degrees in 272 academic programs and is one of only 36 public universities committed to scientific exploration and interdisciplinary research.

For more information about UO, visit [uoregon.edu](http://uoregon.edu).
