

New computer lab project completed and ready for Tribal members to use

Grant funds provided by the Bureau of Indian Affairs (477-Self Sufficiency Program), along with funds provided by excess pledge revenue (EPR), allowed the Siletz Tribe to construct a computer lab and file room, and replace new Human Resources cubicles. The computer lab is located in the Siletz administration building behind the main reception area.

The computer lab will allow Tribal members to job search, complete résumés and participate in trainings provided by programs. Tribal programs will use the lab to provide client trainings and conduct meetings and orientations.

Tribal programs and administration will also utilize the lab to provide in-house staff trainings. This will help reduce travel costs as trainers could be brought to Siletz to provide training to more staff.

The lab has 12 work stations and a lectern station, smart board, printer access and projector system. The lab is for employment- and training-related purposes; it is not for personal or social media use.

For additional information and access to the computer lab, contact Kurtis Barker, 477-Self Sufficiency Program director, at 541-444-8247; 800-922-1399, ext. 1247; or kurtisb@ctsi.nsn.us

**THANK YOU
PHARMACY STAFF**

New March deadline for 2018 summer internship program

The deadline to apply for the Tribe's 2018 College Students Summer Internship Program has been moved up to March 16, 2018.

Selecting students earlier will allow more time to develop relevant work site placements so students can start internships in late June or early July.

To be eligible you must be at least a half-time student attending a two-year or four-year college and in good academic standing.

Applications will be mailed to known students, but if you do not receive an application, please contact Assistant General Manager Bonnie Petersen or the educa-

tion specialists at any Tribal area office to request an application.

This program helps Tribal students locate internship placements to gain work experience in their field of study. Ten slots are available for 2018.

Students can work up to 360 hours at Tribal minimum wage and can be placed within or outside of the Tribe. Placements can begin in June, but must be completed by Sept. 28, 2018.

Students selected for the program must complete an orientation, criminal history background check and drug screening (Note: The Tribe does not recognize Oregon laws allowing the use of medical or recreational marijuana.)

Students should send a completed application and an unofficial copy of transcripts to:

By mail: CTSI

Attn: College Internship Program
PO Box 549
Siletz, OR 97380-0549

By fax: 541-444-2307

By email: collegeinterns@ctsi.nsn.us

Deadline for applications to be received at the Siletz central administration building is **4:30 p.m. on March 16, 2018.**
