Time to gather basket-making materials is here

Summer is here and hazel sticks are ready to pick and peel.

Hazel stick gathering is a must for anyone interested in making traditional Siletz baskets. Spruce root can be dug all year round and is used for the weavers or weft of Siletz baskets.

Bear grass and maidenhair fern are used for overlay to make our traditional designs or marks in our baskets and both are picked in late summer.

Any Tribal members interested in gathering can contact Bud Lane at 800-922-1399, ext. 1320; 541-444-8320;

or budl@ctsi.nsn.us. Just a reminder – basket materials must be gathered in a timely fashion.

Here is a general breakdown of gathering times for different materials:

August

Fir sticks, spruce roots, bear grass, maidenhair fern, hazel sticks (limited), willow sticks

September

Bear grass, maidenhair fern, woodwardia fern, spruce roots

PSU Native Development Networking for Student Success

The NDNSS is a one-year support and mentor program for first generation, low-income, first-time students who will start at Portland State University in the fall.

The program is designed to help new students transition to PSU through aca-

demic support and community building activities. It focuses on American Indian/Alaskan Native experience and is ideal for new students who want a cultural community connection to the PSU campus

Participants engage in a two-week Connect Program & College Success Course prior to starting fall term to get a head start, connect with new students and peer mentors, and learn about PSU resources that are essential to student success.

The course will provide an overview of the knowledge and skills necessary to successfully transition to college. Students will share their educational goals, personal strengths and cultural norms; identify areas in which they may need support; and become familiar with support services and other resources on campus and in the community.

Native students who have completed their first year at PSU are invited to apply to be a mentor in the program.

Trevino Brings Plenty (Cheyenne River Sioux), coordinator of Native American Student Services, will accept applications through August. For more information, contact him at 503-725-5348 or trevino@pdx.edu.
