Native Americans have low rates of homeownership across all tiers of income and experience vast disparities in both loan rejection rates and in the percentage of personal income spent on housing. This fair is an opportunity for our community to address this inequality and re-establish our rightful homes.

The Housing to Homeownership Fair is also an opportunity for community members to learn about renting and home-buying best practices, meet representatives from organizations that provide rent and homebuyers assistance and guidance, and learn about financial wellness, gardening, the HUD Section 184 Indian Home Loan Guarantee program and much more.

Attending the 2018 Homeownership Fair will also allow participants to:

- Enjoy lunch
- Visit vendors trusted by our community
- Attend workshops
- Win gift cards, mortgage/rent or down payment assistance
